Reviews & Comments:

'AUGUST, made up of veteran Vancouver singer/songwriters.... at the Merritt Fest this year...were great, the harmonies pristine.'

I really believe given half a chance, AUGUST could be one of our premier Canadian music acts.'

- John P. McLaughlin, *The Vancouver Province*

'Really funny, they got the audience howling...the concert was delightful and entertaining'

- Ed Farolan, *Vancouver Review*

'Hi Rae...May you and August continue to spread your Love thru your music -- it is powerful and is extremely evident when you perform. Others felt your powerful message too, since you were sold out of CD's at the show. Brilliant!'

- Cathy Clark, *Vancouver*.
